

TAKE PERSONAL ACCOUNTABILITY FOR YOUR OWN SAFETY

EMPLOYEE INFORMATION

Most accidents are completely preventable.

And the best prevention comes from **YOU!**
90% of all accidents are caused by Human Error !

Your responsibilities include:

- Following all safety instructions.
- Using all required personal protective equipment.
- Immediately reporting unsafe or hazardous conditions to your supervisor.
- Thinking before you perform a task.
- Getting assistance, or using mechanical assistive devices, when lifting, pushing and pulling.
- Allowing enough time to do the job.
- Never tolerating unsafe or risky behaviour.
