To Whom It May Concern,

I'm writing to recommend the services of Ace Windows (NE) Ltd based on the high standard of work at our Newcastle Student Accommodation site and have been consistently impressed with their diligence, efficiency, and ability to complete work as per our construction programme.

I've been consistently impressed with their organizational skills and grace under pressure as well as their ability to procure high quality materials which are fitted by their dedicated team who are well managed and well-practiced in safe methods of work.

I strongly recommend Ace Windows (NE) Ltd for future projects as they're extremely competitive and helpful from design stage to conception.

Sincerely,

Steven Francis
